

Wintersportverein Brixen

Sektion Eiskunstlauf

November 2018

We are searching for:

A head coach with min. FISG Level 1 or 2

The coach takes over the sportive leadership and is responsible for the sporting development of our athletes. He practices as head coach our groups in a building program and dedicates his self also to public sports in order to attract a lot of athletes.

Language: if possible German and Italian, because our kids speak these two languages

Responsibilities:

Participation at competitions and accompany our athletes to all competitions from category „interregionale“ to „Elite“ and participation at national and international competitions.

Preparation of shows (Christmas and End-of-Season).

At his side, well introduced Junior- coaches (level instructor) which offer themselves for skating school and beginners and help also the head coach.

The coach works from 12 to 15 hours per week on-ice and daily off ice. Additional hours (choreography, single lessons) can be arranged in accordance with the management.

If possible, the head coach should have also an instruction as technical specialist and choreograph, in order to have the possibility to work together with the neighbouring clubs giving interesting additional working possibilities.

Necessary qualities: self-motivated, kid friendly, experience in building up a club, knowledge about “New system”, cutting music for the competitors, help in organising club shows.

Please send your written resume by e-mail (or send an additional Video presentation) to:

- Summer training and camps in our ice rink from July to September

Off ice practice is offered by the club

Ballet and dance: is offered by a ballet school

Goals of the club:

- **Building up the popular sport** with many members to bring motivated and talented kids to the competition sport
- **Building up the competition sport:** every category of competitors has to grow up the double

The ice rink Brixen

The ice rink is situated at Fischzuchtweg N. 21.

The ice rink is closed, not heated and offers one large and one small surface, where the beginner course are done

On both sides stands for a total of up to 1000 people

The ice rink is owned by the municipality of Brixen and is leaded by the sport office.

The rink offers:

- Bar, small lockable dressing room, 5 normal dressing rooms, WSV office, meeting- and off ice practice room, Skate rental, loudspeaker facilities
- bordered to big sport centre with handball hall, athletics place, gymnastics hall, fitness room, more offices, large parking place

Opening times: from July until the end of May (11 months)

City of Brixen:

Brixen has a population of 20.000 people and is a sport city with above average many Sport possibilities (Winter + Summer).

Brixen offers more high schools and an University and therefore an attraction for a lot of students which arrive from the neighboring villages and cities
